

A wide-angle photograph of a large-scale strawberry cultivation in a greenhouse. The plants are arranged in neat, dense rows that stretch far into the background. The leaves are a vibrant green and have a serrated, trifoliate shape. The greenhouse structure is visible at the top, with a translucent covering and a series of vertical support poles. The lighting is bright, suggesting a sunny day.

Orizaba

VIANSA®

Orizaba

Variedad protegida por Ley.

Su propagación y distribución sin Licencia de está prohibida

Características:

Reflorecente o día neutro

Productividad alta

Precocidad

Se puede plantar en cualquier época del año

Fruto:

Buen tamaño, color y sabor
